# Martian Master Mind Meets Monster Men!

Reading swiftly on the heels of the last four Tarzan jackets, this completes the run of the McClurg Mars books and starts the final count-down to the last of the non-series novels.

Look for the next jackets in late fall 2005:

*Tarzan, Lord of the Jungle,*  
*The Eternal Lover*

And these in spring 2006:

*The Mad King,*  
*The Outlaw of Torn*
